POLISHED CONCRETE FLOORS FOR THE HOME

WEST Environmental Flooring Solutions can offer a polished concrete floor system for homes and garages using the revolutionary HTC Superfloor™ technology

Low maintenance costs and longer lifespan make HTC Superfloor™ a lucrative investment. The initial investment is the same or lower than for traditional flooring solutions and lifecycle cost is about 60% less. In addition HTC Superfloor™ has an unlimited lifespan.

HTC Superfloor™ is a floor to suit all tastes and requirements. It is available in 4 different finishes from matt to a very high gloss and unlimited colours.

RECOMMENDED APPLICATIONS

- Garages
- Living areas
- Kitchens
- Outside areas
- Workshops

HTC Superfloor™ is more than just a beautiful finish.

If you need economical and environmentally sensitive flooring then contact us today.
