POLISHED CONCRETE

WEST Environmental Flooring Solutions is a certified contractor of HTC Sweden. We offer polished concrete flooring using the revolutionary HTC Superfloor™ technology.

Low maintenance costs and longer lifespan make HTC Superfloor™ a lucrative investment. The initial investment is the same or lower than for traditional flooring solutions and lifecycle cost is about 60% less. In addition HTC Superfloor™ has an unlimited lifespan.

(i.e. the same as the lifespan of the building)

HTC Superfloor™ is a floor to suit all tastes and requirements. It is available in 4 different finishes from matt to a very high gloss, endless colour combinations and unlimited design possibilities: you may want to colour the entire floor or simply incorporate your company logo.

In addition HTC Superfloor™ is -

- Slip proof even when wet
- Has the highest fire safety class
- Is abrasion resistant.

HTC Superfloor™ is more than just a beautiful finish.

If economical and environmentally sensitive industrial flooring is what you need then please contact us today.
